Silen Space Gen 2

07/2026

Why Space Gen 2 matters

A product designed to lead the next decade.

Timeless design excellence

A precise blend of engineering quality and top-level design expertise. Light, refined, and created to fit naturally into any environment.

Ultimate two-way privacy

Market-leading noise reduction with certified Class A performance that provides complete acoustic privacy in both directions.

Comfort perfected

Airflow that exceeds office standards, advanced ventilation and EchoFree Gen 2 acoustics. Ergonomic furniture, preset lighting modes, full personal control.

Flexibility redefined

A lighter structure, compact modules, fast and easy assembly, easy relocation, and long-lasting durability. Built to adapt as needs change.

Endless customization

Silen Dynamics allows both interior and exterior finishes to be easily swapped. Furniture is replaceable, accessories can be added later, and pods stay fresh for years.

Sustainability at the core

Responsible materials, high recyclability, reduced emissions, and a structure designed for more than 20 years of renewability and circular use.

Space Gen 2 visual signatures

silen

Lightness

Visually lighter walls, uncompromised Class A sound reduction.

Occupancy light

Occupancy light glowing around the signature floating roof.

Ventilation

High-performance ventilation with adjustable airflow and Boost mode for rapid air refresh.

Lighting

Custom-designed lighting with preset modes and ambient lighting.

Space Gen 2 visual signatures

silen

Handle

Signature ergonomic handle with magnetic door.

Swappable panels

Easily swappable interior and exterior panels for lasting freshness.
