GENERAL TERMS AND CONDITIONS OF SALE (SWEDEN) OF VITRA INTERNATIONAL AG, BIRSFELDEN, SWITZERLAND

Artek is distributed by Vitra

The following terms and conditions apply to all sales and deliveries of Vitra International AG ("Vitra" or "we") in the territory of Sweden unless otherwise agreed in writing. Any terms or other conditions contained in any purchase order or other form used by customer to order products that are different from, in addition to, or in any way inconsistent with Vitra's General Terms and Conditions of Sale are rejected and shall be of no force or effect.

1. Offers and conclusion of contract

Our offers and quotations are non-binding and subject to change. A binding contract is only concluded upon receipt of Vitra's written order confirmation. Orders confirmed by Vitra ("Confirmed Orders") are binding.

Illustrations and descriptions in our price lists, catalogues and any other documentations as well as any samples submitted are not binding for the execution of the goods. Changes in construction, variations in wood grains and minor deviations in design or colour shading are reserved.

2. Delivery terms

Deliveries are made DAP (Incoterms 2020) to the customer's delivery site in Sweden and are exclusive of installation, unless otherwise noted in any Confirmed Order. Where a Confirmed Order comprises more than one item, deliveries may be made in instalments depending on the availability and nature of the products (partial deliveries). If deliveries are made in instalments, Vitra may issue a separate invoice for each instalment. Dispatch and choice of freight carrier are at Vitra's discretion.

Indications on delivery dates and times are approximate, unless we have specifically declared them to be binding in writing. Any modifications requested by the customer extend the indicated delivery times. When call-off orders are made, the call-off must be made at least four weeks prior to the requested delivery date.

In the event that the customer is in default of acceptance, the goods will be stored at the customer's expense, with monthly storage charges amounting to at least 1 % of the invoice value.

3. Transfer of risk

All risks of loss and damage shall pass to the customer at the time Vitra places the goods in the possession of a freight carrier or any other third party responsible for the delivery. Transport insurance is only taken out at the customer's request and expense.

4. Prices

Unless otherwise noted, prices are stated in SEK and exclusive of any VAT, customs duties and other public charges.

Prices are inclusive of dust-protective wrapping or any other standard packaging as determined by Vitra. Non-standard packaging materials are invoiced to the customer at cost.

Should the factors underlying the price formation (raw materials, transportation costs, collectively agreed wages, customs duties) increase prior to the delivery of the goods, Vitra shall be entitled to charge the customer the corresponding price increase in addition to the Confirmed Order price.

5. Payments

Invoices are payable within 30 days (net) from the invoice date, unless otherwise agreed. Payment is considered received as soon as and to the extent it has been credited to our bank account.

Vitra is, at its sole discretion, entitled to request a partial or full prepayment at any time. Should payment be delayed, interest in arrears at a rate of 5% shall be automatically charged to the customer. In the event that customer's payment is delayed for more than seven (7) calendar days, or if there are justified doubts as to the customer's solvency, we are entitled to (i) revoke all credit, (ii) reject any further orders of the customer and (iii) withdraw from or suspend any as yet unfulfilled part of purchase contracts already concluded with the customer, in each case without incurring any liability to the customer.

The customer may only set off counterclaims against our claims if customer's counterclaims are uncontested or established as final by a competent court of law. In particular, the customer is not permitted to withhold payment or make deductions to invoiced amounts in the event of complaints relating to the goods.

6. Retention of title

Title to and ownership of goods supplied by us shall remain vested in Vitra and shall not pass to the customer until the purchase price has been paid by the customer in full. Customer shall be obliged to store relevant goods in such a way as to enable them to be identified as our property and is prohibited from pledging or using the retained goods as a security without our written consent. Until title to the goods passes, upon our request, customer must facilitate our repossession of the goods and we or our agents shall be entitled at any time to enter the property in which the relevant goods are stored. In case of repossession, we may claim rent and damages for potential use of the goods, plus legal costs and transportation costs. Further claims for improper use of the goods remain reserved. Irrespective of whether title to the goods remains vested in Vitra, risk shall pass to the customer in accordance with Sec. 3.

As a precautionary measure, the customer assigns to Vitra in advance all rights arising out of the potential further sale of goods to which we retained title in accordance with the foregoing. Upon our request, the customer must inform the purchasers of relevant goods about the assignment of rights and hand over the necessary documentation to us.

As long as the customer meets his commitments towards Vitra, the customer may dispose of the unpaid goods according to normal business practice and collect the assigned receivables.

7. Warranty and defects

Vitra warrants that new goods and second-hand goods sold via its "Vitra Circle for Contract" program ("C4C Products") are free from defects in material and workmanship at the time of transfer of risk (see Sec. 3). The warranty period shall be two (2) years from the date of delivery. All other warranties are expressly excluded. In particular, any warranties are excluded for second-hand goods that are not C4C Products.

Vitra's warranty does not apply to defects, damage, failure or loss resulting from (i) improper use or incorrect handling or modification of the goods (e.g. treatment of fabrics with unsuitable chemical agents), (ii) non-compliance with the instructions for use or exposure to unsuitable environmental conditions (climate, humidity, chemicals, direct sunlight), (iii) maintenance by unauthorized persons, (iv) normal wear and tear (e.g. regarding castors, surfaces) and (v) the use of customer owned materials (COM). In case of C4C Products, signs of previous use do not constitute a defect. Vitra is not responsible for damage to goods which occurs in transit. Damages in transit shall be notified to the responsible carrier in writing immediately after receipt of the goods and Vitra shall be informed accordingly.

The customer must check the delivered goods immediately upon receipt. Defects in the goods supplied, discrepancies in quantities supplied or incorrect delivery must be notified to Vitra within eight (8) calendar days from receipt of the goods. In case of hidden defects, the customer shall notify Vitra within five (5) calendar days after having detected such defect. Otherwise, the customer shall lose its claims with regard to these defects.

If any goods prove to be defective, we will, at our own discretion, either rectify the defect or deliver a comparable replacement product (or replacement product part). If repair or replacement is commercially impracticable, we may grant the customer a refund or price reduction for the defective goods. There shall be no other right of claim against us. Delivery of a replacement product does not result in a renewal or extension of the warranty period.

Vitra's liability is strictly limited to the aforementioned obligations. Vitra shall bear no liability for any indirect or consequential loss, loss of profits or loss of business of customer howsoever arising. No limitation applies to Vitra's liability for death or personal injury, damages caused by Vitra's willful misconduct or gross negligence or in case of mandatory product liability.

8. Force majeure

We shall not be responsible or liable for any failure or delay in the performance of our obligations caused by, directly or indirectly, forces beyond our control or the control of our suppliers, including, without limitation, strikes, breakdowns, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, catastrophes and interruptions, epidemics and pandemics (including Covid-19), loss or malfunctions of utilities, communications or computer (software and hardware) services.

9. Data protection

We only capture, process or use personal data in accordance with applicable data protection law provisions. Details are set out in our Privacy Policy, which can be accessed at <https://www.vitra.com/cpt> or requested from us at any time.

10. Governing law and jurisdiction

The legal relationship between Vitra and the customer shall be governed by Swiss law, excluding the UN Convention on Contracts for the International Sale of Goods (CISG). The place of jurisdiction shall be Muttens, Switzerland. However, we shall be entitled to sue the customer at his residence or seat of company.

11. Severability

In case any provision in these General Terms and Conditions of Sale shall be invalid or unenforceable, the validity and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and such provision shall be ineffective only to the extent of such invalidity or unenforceability.
