# QUICKDRY & AIRFLOW SYSTEM

## OUTDOOR COMFORT NO MATTER THE WEATHER

Cane-line's QuickDry & Airflow system ensures that your outdoor cushions stay dry, inviting, and comfortable — even after heavy rain. Thanks to the unique cushion composition with our QuickDryFoam® technology provides quick drainage and effective air circulation. This results in dry cushions approximately one hour after a downpour and no risk of mould building inside the cushions.

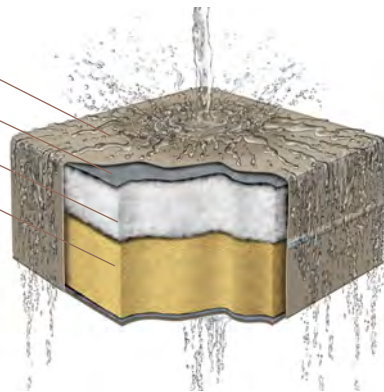

## 3 REASONS TO CHOOSE CUSHIONS WITH QUICKDRYFOAM®:

1. All-Weather Convenience  
No need to bring cushions indoors when it rains — leave them safely outside.
2. Fast Drying Time  
QuickDryFoam® is designed to allow rainwater to pass through rather than be absorbed. This ensures that the cushion dries in approximately one hour after heavy rain, unlike traditional cold foam cushions.
3. Inviting comfort  
Continuous air circulation prevents moisture buildup and mould formation inside the cushions.

## CUSHION COMPOSITION

Outer cover/fabric  
Inner cover/rain cover  
Padding  
QuickDryFoam

**90% of rainwater is repelled,  
whereas only 10% passes  
through the cushion**

## HOW TO CARE FOR YOUR QUICKDRYFOAM® CUSHIONS

1. After a downpour, place the cushions upright to allow water to drain more efficiently.
2. Store the cushions in a ventilated indoor room or in a Cane-line cushion box during winter season or for long-term storage.

## ACROSS OUR COLLECTIONS

All Cane-line products featuring the QuickDry & Airflow system logo include QuickDryFoam®. Other cushions come with our premium Cane-line cold foam.

## Collection 2027

Cane-line is a Danish design company with more than 30 years of experience in designing and manufacturing functional and comfortable furniture.

Life made comfortable is the very essence of Cane-line. All over the world our mission is the same – to make life comfortable and add value to life and the places where you unwind and relax. We are constantly focusing on quality, innovative technologies and comfort in both products and life to ensure that our furniture is made with the greatest care for the environment and the well-being of people.

Cane-line outdoor collection is designed and manufactured with the purpose to have a comfortable outdoor living lifestyle. The all-weather furniture offers maximum comfort and minimal maintenance.
