CLASSIFICATION & HOMOLOGATIONS

Luminaires classification

Class I: Luminaire in which protection against electrical shocks is not just based on the basic insulation but also on an additional safety precautions consisting of connecting the accesible conductive parts to a safety conductor (earth)

Class II: Luminaire in which protection against electrical shocks is not just based on the basic insulation but also on an additional safety precautions consisting of double reinforced insulation without conductive parts to a safety conductor (earth)

Class III: Luminaire in which protection against electrical shocks is based on the very low safety supply voltage and no voltages are produced higher than this. A Class III luminaire must never be provided with earthing

Homologations

All lamps manufactured and illustrated in this catalog comply with European Standard EN 60 598 and consequently meet the requirements set forth in Directive 73/23 EEC (Low Voltage Directive). They also comply with Directive 89/336 covering electromagnetic compatibility. All products falling under the scope of the above-mentioned Directives bear the CE mark as proof of their compliance with the respective requirements

The ENEC mark on the product stands for the compliance of European Standard as well as a trustworthy organisation and product system and is guaranteed by an accredited certification body. This agreed mark stands for our engagement and represents the best guarantee in security and quality matter of our products

The Spanish Association for Standards and Certification AENOR, certifies that quality assurance system adopted by Antares Iluminación, S.A. complies with the requirements of the standard UNE-EN ISO-9001 Quality Systems.

DEGREE OF PROTECTION

IP 20	Protection degree offered by the fixture to the ingress of solids and liquids
IP 20	1st figure, protection against penetration by solid bodies: 0 No protection - 1 Protected against solid bodies over 50 mm in diameter - 2 Protected against solid bodies over 12 mm in diameter - 3 Protected against solid bodies over 2,5 mm in diameter - 4 Protected against solid bodies over 1 mm in diameter - 5 Protected against dust - 6 Fully protected against dust
IP 20	2nd figure, protection against penetration by water: 0 No protection - 1 Protected against drops of water falling vertically - 2 Protected against drops of water at a max. inclination of 15 degrees - 3 Protected against drops of water at a max. inclination of 60 degrees - 4 Protected against splashed of water - 5 Protected against jets of water - 6 Protected against waves - 7 Protected against immersion - 8 Protected against long term immersion
Simbologia · Pictography	
	Luminaire with builtin power packs or transformers, suitable for mounting directly onto normally inflammable surfaces
	Minimum distance from illuminated objects

In accordance with the provisions of Regulation 874/2012/EU and integration of the Directive 2010/30/EU concerning labeling indicating the energy consumption of electric lamps and the compatibility of lighting appliances with different light sources (integrated or compatible with these), Flos SpA has inserted the required labels, in electronic form, on its website (www.flos.com) in the area relating to products. The methods to download the labels in different languages envisaged at Community level are as follows: • Choose the collection/product you are interested in (for ex: <http://www.flos.com/decorative/en/products/floor/Arco>) • Click on “see specs sheet” • Click on “Print Energy Label” • Select the language and print the label

FLOS SCANDINAVIA ALLMÄNNA FÖRSÄLJNINGS- OCH LEVERANSVILLKOR 2026/2024

Denna prislista gäller från juli 2026. Alla priser är vägledande exkl.- och inkl. moms.
Dessa allmänna försäljnings- betalnings- och leveransvillkor gäller om inget annat är skriftligt avtalat mellan köpare och Flos Scandinavia.
Villkoren gäller för försäljning av alla varor som är köpta hos FLOS Scandinavia.

LEVERANSVILLKOR

Om varorna inte finns på lager tar leveransen cirka 3-4 veckor. Normalt levereras varorna med frakt / speditör från vårt lager för köparens räkning och risk. Köparen kan efter avtal hämta sina varor på vårt lager på Kornmarksvej 8-10, port S, DK-2605 Brøndby. Om köparen önskar att få sina varor till en annan adress än sin egen, bortfaller reklamationsrätten, eftersom ingen vet hur varorna blir mottagna, uppackade och monterade. Vi förbehåller oss rätten till pro rata leverans.
Flos Scandinavia håftar inte för eventuella förluster på grund av försenade leveranser.

OFFERTER

Om det innan varans leverans inträffar ändringar i kostnadspriser, valutakurser, arbetslöner eller avgifter o.dyl. kan Flos Scandinavia ändra försäljningspriset i enlighet därmed. Alla ritningar, skisser och tekniska specifikationer m.m. förblir Flos Scandinavias egendom och får därför inte kopieras eller överlåtas till tredje man. Det material som erhållits får inte efterliknas eller överlåtas till tredje man i produktionssyfte.

LÅN AV PROVARMATUR

Man kan efter närmere avtal låna prover till demonstration eller provupphängning.
Dessa prover debiteras köparen. Vid returnering av proverna i felfritt skick och i originalförpackning inom den avtalade tiden, krediteras köparen det fakturerade beloppet. Dock ej frakten samt ljuskällor. Skulle proverna vara skadade, mera än vad man normalt kan förvänta vid utlåning av prover, debiteras köparen för reparationskostnaden eller ny produkt.
Fragt tur/retur av produkter bekostas av kunden.

BETALNING

Om ingenting annat är betalningen alltid netto kontant vid hämtning / mottagande.
Vid försenad betalning debiteras dröjsmålsränta med 2% för varje påbörjad månad.

ÅNGERRÄTT / RETURNERING

Retur av varor kan endast ske i enlighet med avtal med säljaren, och senast 3 månader efter fakturering. Det tillkommer alltid en returavgift på 20 % på standardvaror, 50 % på ej i lager och 100 % på specialvaror. Ändringar och avbokningar kan endast göras om FLOS har möjlighet att ändra beställningen hos leverantören. Alla returvaror ska åtföljas av en ifylld retursedel och en kopia av fakturan och produkterna ska returneras i originalförpackning. Om dessa saknas kan varorna inte krediteras och varorna returneras på avsändarens bekostnad.
Frakt till FLOS är kundens ansvar. FLOS står inte för några utgifter i samband med installation av produkter, demontering av produkter, elektriker mm.

REKLAMATION

Har varan blivit skadad i frakten skall man genast lämna en reklamation till transportfirman vid mottagandet av varan. Om det råder tvivel om förpackningens innehåll är skadat, måste varan tas emot "med förbehåll" för att hålla transportören ansvarig för detta. Vid andra reklamationer, skall man inom 8 dagar skicka en skriftlig reklamation efter att man har konstaterat felaktning - eller saknad vara, dock, senast en månad efter fakturadatum. Kosmetiska defekter av trivial karaktär, där defekten inte nämnvärt påverkar produktens utseende vid användning, omfattas inte. För elektroniska förkopplingar / ljuskällor / transformatorer gäller fabrikantens reklamationsvillkor. Ljusberäkningar som Flos Scandinavia har företagit är vägledande och Flos Scandinavia ansvarar därför inte för fel eller brister. Frakt vid försändelse av en ny ombytt produkt bekostas av FLOS. Likaså omkostnader vid avhämtning av en defekt produkt. Vid reklamation av en icke ny produkt (mer än 8 dagar gammal) som är levererad, bekostas frakten tur/ retur av kunden. Det måste alltid finnas folk på plats vid leverans, ångerrätt eller returnering då fraktbolaget ej garanterar kontakt före. Om fraktbolaget ej kan leverera eller hämta godset och måste återkomma en annan dag, så dubbeldebiteras frakten. träffande kostnader för felsökning, demontering, elektriker och andra installationskostnader kan FLOS ej debiteras för dem.

OBS!

Alla returvaror skall efter avtal returneras till vårt lager:
FLOS Scandinavia, Kornmarksvej 8-10, port S, DK-2605 Brøndby. Alla varor som returneras skal vara försedda med en ifylld retursedel som kan laddas ner på flos.se. Returvaror måste vara Flos tillhanda senast 3 månader efter att man har meddelat Flos. Om varorna inte returneras till Flos innan tidsfristen, bliver de inte krediterat, och faller bort.

REPARATION AV ARMATURER UTAN GARANTI

Armaturer som lämnas in för reparation skall avhämtas inom 3 månader. Om så inte sker tillfaller armaturerna FLOS Scandinavia A/S som kan förfoga fritt över varorna. Efter 3 månader har armaturerna reglerats ut och kasserats.
